The items listed above do not have the force or effect of law as do provisions of the constitution, statutes, and duly adopted administrative rules. The Department requests that value adjustment board clerks retain and use the title “Reference Materials Including Guidelines” when placing this set of documents on their websites.

The Department’s guidelines are intended by law as aid and assistance for the production of original assessment rolls by property appraisers. While value adjustment boards and special magistrates are not authorized to produce original assessments, they are authorized to conduct administrative reviews of assessments that include establishing revised assessments when required by law. Therefore, within the scope of their authority, value adjustment boards and special magistrates may consider these guidelines, where appropriate, in the administrative review of assessments produced by property appraisers. These guidelines must be used in conjunction with the Uniform Policies and Procedures Manual and with the Other Legal Resources Including Statutory Criteria.

Statutory Provisions Describing the Department’s Guidelines for Property Appraisers

Section 195.032, Florida Statutes: *“In furtherance of the requirement set out in section 195.002, the Department of Revenue shall establish and promulgate standard measures of value not inconsistent with those standards provided by law, to be used by property appraisers in all counties, including taxing districts, to aid and assist them in arriving at assessments of all property. The standard measures of value shall provide guidelines for the valuation of property and methods for property appraisers to employ in arriving at the just valuation of particular types of property consistent with sections 193.011 and 193.461. The standard measures of value shall assist the property appraiser in the valuation of property and be deemed *prima facie* correct, but shall not be deemed to establish the just value of any property. However, the presumption of correctness accorded an assessment made by a property appraiser shall not be impugned merely because the standard measures of value do not establish the just value of any property.”*

Section 195.062(1), Florida Statutes: *“Consistent with section 195.032, the standard measures of value shall be adopted in general conformity with the procedures set forth in section 120.54, but shall not have the force or effect of such rules and shall be used only to assist tax officers in the assessment of property as provided by section 195.002.”*

This checklist is a guide to help VAB clerks make sure that the VAB performs all the required actions and responsibilities specified in the Florida Department of Revenue's Rule 12D-9.013, Florida Administrative Code.

The VAB:

- Held at least one organizational meeting before VAB hearings started.

 - Date, time, and location of the meeting.
 - Purpose of the meeting.
 - Advice that any person who anticipates that he or she will appeal a decision of the VAB should make sure a verbatim record of the proceeding is made (see s. 286.0105, F.S.).

At this organizational meeting, the VAB:

- Regarding private board legal counsel:
 - Appointed or ratified legal counsel as the first action at the meeting (see s. 194.015, F.S.).
- Introduced every VAB member and VAB clerk staff and provided their contact information.
- Appointed or ratified special magistrates (if the VAB is using them for this year).
- Made available to everyone (VAB-related persons and the public):

 - Roles of participants in this system.
 - How taxpayers can participate in this system.
 - Property taxpayer rights.
- If it has local administrative procedures and forms:
 - Discussed the new or revised procedures and forms.
 - Took testimony on these procedures and forms.
 - Adopted or ratified the procedures and forms.
 - Made these local procedures and forms available to the public, including on the VAB clerk's website.
- Announced a tentative schedule for its required activities based on these considerations:
 - The number of petitions filed.
 - The possibility that activities might have to be rescheduled.
 - The requirement that the VAB continue in session until it has heard all petitions (see s. 194.032, F.S.).
